## **Sliding Fee Scale**

### **Patient Requirements**

In order to qualify for the sliding fee scale at VPCHC, patients and their families must have a combined income that falls within the 2010 U.S. Federal Poverty Guidelines.

Patients and their families must provide the following documents to verify gross income:

1. Most recent tax filing with the IRS and/or W2's from employer(s)
2. A copy of Social Security or Disability 2009/2010 Award Letter(s) or unemployment statement(s).
3. Pay stubs from all employers for the last 30-day period.
4. If unemployed, no income, and living with others, we require a signed and dated letter from the person providing support of the patient.
5. Driver's license
6. Any other income that is direct deposited.
